

TOKENOMICS

Behold the Tant Token, pulsating at the epicenter of the Tant Finance realm, its essence interwoven as a vital thread within our decentralized Finance dominion. Crafted with strategic precision, it stands as the formidable dynamo propelling our Financial ecosystem forward.

DISTRIBUTION

| | | | |
|---------------------------------------|---------------------------|-----------------------------------|-----------------------|
| TOTAL SUPPLY 10,000,000,000 | BUY/SELL TAX 0% | LIQUIDITY LOCKED 1 year | AUDITED Yes |
|---------------------------------------|---------------------------|-----------------------------------|-----------------------|

| | | | | |
|-------------------------------------|------------------------|-----------------------|------------------------|----------------------|
| PUBLIC 63% | MARKETING 5% | TREASURY 5% | EXCHANGES 5% | STAKING 7% |
| RAID INCENTIVE PROGRAM 4% | CHARITY 1% | TEAM 3% | PRE-SALE 2% | |

PUBLIC (63%)

The public allocation constitutes 63% of the token distribution, ensuring widespread access and inclusivity within the community. This approach fosters decentralization and empowers a diverse range of participants to engage with the platform, promoting transparency and democratizing ownership in the ecosystem.

MARKETING (5%)

The marketing allocation, comprising 5% of the token distribution, is strategically deployed to enhance visibility and drive adoption. These funds are allocated towards targeted campaigns, partnerships, and community engagement initiatives. By amplifying brand awareness and fostering strategic alliances, this allocation accelerates the project's growth trajectory and cultivates a vibrant ecosystem.

TREASURY (5%)

Behold the Tant Token, pulsating at the epicenter of the Tant Finance realm, its essence interwoven as a vital thread within our decentralized Finance dominion. Crafted with strategic precision, it stands as the formidable dynamo propelling our financial ecosystem forward.

EXCHANGES (5%)

The exchanges allocation, comprising 5% of the token distribution, facilitates liquidity and accessibility. These tokens are earmarked for listing on prominent exchanges, enabling seamless trading and market integration. By ensuring widespread availability, this allocation enhances the project's visibility, liquidity, and accessibility within the broader cryptocurrency ecosystem.

STAKING (7%)

The staking allocation, constituting 7% of the token distribution, incentivizes network participation and secures the ecosystem. Participants can earn rewards by staking their tokens, enhancing network security and decentralization. This allocation encourages long-term commitment from stakeholders, fosters a robust community, and ensures the stability and sustainability of the platform.

RAID INCENTIVE PROGRAM (4%)

The RAID Incentive Program, representing 4% of the token distribution, incentivizes participation in RAID's ecosystem. Participants receive rewards for contributing to the network's security and stability. This allocation encourages active engagement and collaboration among community members, fostering a vibrant and resilient ecosystem for RAID's continued growth and success.

CHARITY (1%)

The RAID Incentive Charity allocation, comprising 1% of the token distribution, embodies RAID's commitment to social responsibility. These tokens are dedicated to charitable initiatives, supporting causes aligned with RAID's values. By giving back to communities in need, RAID fosters positive impact and contributes to building a better world for all.

TEAM (3%)

The Team allocation, constituting 3% of the token distribution, rewards the dedicated individuals driving RAID's success. These tokens are reserved for the core team members, incentivizing their continued commitment and contribution to the project's development and growth. This allocation aligns incentives and ensures the team's alignment with RAID's long-term objectives.

PRE-SALE (2%)

The Pre-Sale allocation, comprising 2% of the token distribution, provides early supporters with an opportunity to participate in the project's growth. These tokens are offered at a discounted rate during the pre-sale phase, incentivizing early investment and fostering community engagement. This allocation enables strategic fundraising and lays the foundation for RAID's success.
